Philippines | 5yrs experience

My name is Karen and I'm a registered nurse in the Philippines. I have work experience both in hospital setting and elderly care homes (both in the Philippines and Japan).

I also have sufficient experience in infant and child care, both in my previous jobs as well as in my family.

I have no kids of my own, but I'm a proud aunt to my 3 nieces (currently aged 9, 8 and 2) and 1 nephew (10 months old), all of whom have grown under my direct care while my siblings have been working.

I've also come from a pet-loving family which currently includes 3 dogs, 1 cat, a few birds and fish, to name a few. But most importantly, I'm a devoted fur mom to my senior shih tzu who is now 12 years old.

I would be grateful to be a part of your household if you would kindly consider my application.

As I'm currently based in Manila, I'd be happy to have a virtual interview with you at your convenient date/time .

Thank you very much, and I look forward to your response.

Have a great day!
