# KRISTOFFER

**Filipino | Catholic | Married | 34 years old | 2 kids**  
**Hong Kong | 2yrs experience**

Good day to all employers! My name is Kristoffer. I'm 33 years old, married, and blessed with two children.

I'm from the Philippines and have 6 years of experience as a company driver there, where I also worked as a forklift operator.

Right now, I'm in Hong Kong working as a domestic helper. I take care of an elderly gentleman, helping him with his daily

needs like bathing, feeding, exercising, and keeping him safe.

I also handle household chores such as cooking, washing dishes, doing laundry, and cleaning the house.

I will finish my contract on September 19, 2026.

I don't renew contract with current employer because I have a Hong Kong driver's license and I am looking for a new job as a driver here.

I am loyal, honest, and hard-working.

If you hire me, I promise to do my best to serve your family well. I will follow all the rules and responsibilities you set for me and ensure your family's safety. Thank you, and have a great day! I am loyal and honest, hard working. Thank you very much.
