Hi, I'm Joy, 31 years old, and I'm a domestic helper from the Philippines. I've been working in Hong Kong for the last 4 years with two different employers. My first job was with a family of five adults and a newborn, whom I took care of until the child turned two years old. I finished my contract there and got a reference letter. Now, I'm with my second employer, a couple with one child, and I've been with them for almost two years. My main duties include cooking, housekeeping, and childcare. My contract will finish on October 9, 2026, and I'm currently looking for a new employer. I'm an energetic and dedicated person, and I have strong analytical and decision making skills.
