I am Imee 42 yrs old. I'm a from Philippines. The reason why I work abroad is for my family. My sister is now studying at College. And I am a breadwinner of my family. Hongkong is my dream country when I was a kid. So I am happy to work here in Hong Kong. I could work for 6 yrs with same family because they are kind and nice. I have co worker, she have been working for them more than me. The last working date is Sep5, and I need new job. I don't mind any nationality of new employer, I just want to expect a good employer. Unfortunately I have allergy of pets, so I can't work for family who has pet. My employer gave me good reference letter, hope you consider me joining your family. Thank you , God bless you.
