Philippines | 6yrs experience

Hello, my name is Joralyn Bangasao, and I am from the Philippines. I graduated with a Bachelor's degree in Public Administration and completed my Caregiving NC II training.

I have different work experiences that helped me develop good communication, customer service, and organizational skills. I worked as an Office Clerk at the Local Government of Mambajao Tourism Office, where I assisted local and foreign tourists, handled inquiries, encoded data, maintained records, and prepared reports. I also have experience working as a cashier, sales lady, and office staff, where I learned how to deal with customers, handle responsibilities, and work efficiently.

I also have experience in childcare and elderly care. Through my caregiving experience and training, I learned to be patient, responsible, caring, and attentive to the needs of others. I also have training in First Aid, BLS-CPR, and personal water safety.

I consider myself hardworking, trustworthy, patient, and willing to learn. I can follow instructions, adapt to a new environment, and accept corrections because I believe they help me improve. I am applying for this position because I want to use my skills and experience, learn new things, and become a reliable employee who can contribute to the company or family.
