I am from Quezon City, Philippines. In my hometown, I live with my loving family, including my father and 3 siblings, who inspire me every day to do my best.

My primary purpose for working in Hong Kong is to provide financial support for my family and for myself to save money so i can build my own house. And since Hongkong is just 2 hr flight from Philippines and offers big salary, i want to take the oportunity.

I have 3 years of experience working as a local domestic helper and nanny in Philippines. My core skills and responsibilities include:

2. Housekeeping & Cooking: Proficient in deep cleaning, laundry, ironing, grocery shopping, and cooking Western and Filipino dishes.

I am currently looking for a new employer because my past employer relocated in the province.

I am seeking a respectful and kind family where I can contribute my skills long-term. I am flexible regarding job conditions and am fully prepared to take good care of your home and loved ones with utmost dedication and loyalty.

I am a dedicated, hard-working, and warm-hearted domestic helper. I am a patient, cheerful, and honest person who takes great pride in maintaining a clean, organized, and harmonious home environment.
