J. CALAMAYAN

Filipino | Catholic | Married | 37 years old | 1 kids
Hong Kong | 6yrs experience

Hi, I'm J. calamayan, and I'm 37 years old. I've spent 5 years working in Hong Kong as a domestic helper for a family with 3 adults and 1 child. My main job has been taking care of the child, including taking her to school and making sure the home is clean and organized. I really care about my work, especially when it comes to looking after children. I've had great experiences with my recent employer, and they appreciated how I cared for their baby, even giving me a good recommendation. I'm not really skilled at cooking, since my employer didn't have me do much of that at home. I was mostly focused on activities and school needs for the baby. But I'm eager to learn and do more to make my future employer happy. My contract got terminated, so my last working day is September 15, 2026.
