Philippines | 7yrs experience

My name is W Santander, and I am a certified caregiver with 7 years of experience working in Hongkong, providing compassionate and professional care to elderly clients, including those with special needs.

I am dedicated, honest, trustworthy, patient and hardworking caregiver. I understand that caring for an elderly person requires not only skills and experience but also genuine kindness, respect, understanding and patience. I am comfortable assisting with daily activities, personal care, medication, reminders, meal preparation, mobility, companionship and maintaining a safe and comfortable environment. I always treat the person I care for with dignity and respect, as I would care for my own family. I am willing to learn and follow the family's needs and instruction, and I value good communication and a respectful relationship with my employer.

I am looking for a kind and respectful employer where I can use my experience and dedication to provide the best possible care. If given the opportunity, I will do my very best to earn your trust and become a reliable and caring member of your family.

Thank you for considering my application. I would be very grateful for the opportunity to meet you and discuss how I can be of help to your family.
